

MUSHROOM CABLE

MUSHROOM WIFE

MUSHROOM, MUCHROOM? I bet (you) are thinking the same as >me, what is this loser with too much CASH ON THEIR HANDS and too much imagination on their HEAD trying to sell (you)? Fairly simple if you ask me.

We live in times with TOO MUCH ROOM, so what better way to fix it than with TOO MUCH SHROOM?

NOT DRUGS of course, that would be mean, but consider MEDITATION, the MOST UTMOST MOSTUT way to have TOO MUCH ROOM in the better way. As a representative of the FUNGAL COLLECTIVES (FCC), may I suggest GUIDED DECLOUDING followed by the SPORE CLOUD METHOD? Thanks, I knew you'd prefer it.

FREE your HEADGUT, let (you)rself be as still as a candle, THAT'S MEDITATION BABY? Yes, that's all there is for meditation, but doing only that is for CHUMPS, BUDDHIST CHUMPS, and (you) don't want to be that, don't you? (You)'d be crazy for thinking that, so here is the PASO CUACUATRO:

CLOSE your SORBS (sight orbs) and think, no, VISUALIZE (you)rself be INTRODUCED TO THE FUNGAL COLLECTIVES. First do the TOADSTOOL MUDRA (put your hand down) and think about how COOL it would be to PET a MUSHROOM. FEEL THE FUNGI, let it grow big in front of your closed SORBS and LET IT DECAY AS IT WILL LET (you) DECAY HIM/HER/ZIR/ZERSELF.

Now what?

ONCE YOU THINK IT HAS FALLEN LIKE A fake log THEN (you) WILL IMAGINE A LOT OF tiny little shrooms friends SPROUTING FROM IT. FEEL THEM GROW USING (you)R bed AS A SUBSTRATE (why wouldn't (you) meditate on (you)r bed, (you) weirdo) AND THEN IMAGINE THEY START GROWING closer AND closer TO (you) LIKE SOME MOCKERY, an affront?

HELL YEAH (you)'RE doing IT. (You) will feel like the fungus is (you) and (you) is the fungus (on god fr fr). After that TIME (you) MELTED INTO YOUR INNER TEMPLE OUTWARDS then (you) are free to GET UP FROM SITTING and be a little bit more harmonious with the world, or as Abebix said, GROW CLOSER TO THE WORLD AS THE FUNGUS GROWS FARTHER FROM THE CARCASS.
